

## What To Bring

**PROVIDED:** Soap, washcloth, towels, clean linens, a pillow, and blankets. The housekeeping staff can provide clean towels daily but sheets are not changed during the week. We ask that you bring or purchase beach towels and do not take room towels to the beach or pool. Each bedroom in your suite has two single beds that can be rearranged. Some adults bring egg crate foam to put on top of their mattress because the beds can be a little hard. See “Creating Your Own 4-Star Bed” for tips on how to create a King-sized bed. Daily housekeeping service is provided between 10am and 3pm and our housekeeping staff will assist you with special needs such as plastic sheets or extra linen. Portable cribs are available for rent (\$25.00) or you may bring your own. Each suite has a small refrigerator and microwaves are available on every floor. Ice is available near the elevators in the main lobby.

**WHAT TO BRING?** Within 5-10 minutes of the FVC are grocery stores, coffee shops (Starbucks), pharmacies, liquor stores and shopping malls. We don’t cash checks at the front desk but there are several ATM’s close by. UCSB has T-shirts, sweatshirts and all the UCSB memorabilia you could want. The FVC also sells T-shirts and sweatshirts at the front desk.

There are no TVs, cable or phones in the suites. We don’t sell toiletries at the front desk so please bring your own shampoo, toothbrush, toothpaste, etc. You are welcome to bring whatever personal items you need to make your stay at the FVC more enjoyable.

We encourage you to bring your own bikes or consider renting a bike for the week at our local bike shops. The FVC has a limited number of bikes for rent at \$3.00 per hour. All ages 11 and up will be using bicycles to ride to the beach on Thursday.
